On 5th February 2024, North West Leicestershire District Council launched a six-week consultation on their 'Draft Local Plan' which sets out where homes and businesses should be developed across the district, areas that should be protected, planning policies developers must follow and how far towns and villages can expand.

To find out more about how this plan could affect our village and to make sure your views are heard, visit www.nwleics.gov.uk/LocalPlanMySay for more information and submit your comments **by Sunday 17th March 2024.**
