NEWS RELEASE

WHITWICK WILL REMEMBER

A big thank you to the Whitwick Branch of the Royal British Legion and all local helpers who have started to put up the Parish Poppies throughout our village this year. When staff from the Parish Council were decorating the Whitwick Wheel Memorial today, a local resident was pleased to see the efforts being made and said “We do need to remember, it mustn’t be forgotten”.

The Parish Council also looks forward to supporting the Parade this year, due to take place on Remembrance Sunday 13th November 2022. The Royal British Legion have arranged a slightly different time and place but will be announcing further details in due course.

The Community Office is normally open on: -

Wednesday afternoons 1 – 4 pm and
Thursday/Friday mornings between 10 am – 1 pm
or email clerk@whitwickpc.org for further details.
