## TEMPORARY TRAFFIC REGULATION ORDER

### Jeffcoats Lane, Talbot Street, Church Hill; Swannington

Leicestershire County Council Highways has agreed to a Temporary Traffic Regulation Order at the above location.

The Temporary Traffic Regulation Order will be implemented for public safety for **A&H Construction to safely facilitate foul water connection, and National Grid Electricity Distribution to safely facilitate electric connections for Bright Hope Hospice.**

A road closure is required on **Jeffcoats Lane** from its junction with Talbot Street/Church Hill for approximately 150 metres on the 11<sup>th</sup> September 2023 for two weeks. These works will also require the use of temporary traffic signals on the Church Hill/Talbot Lane/Jeffcoats Lane junction.

An additional closure has required on **Talbot Street/Church Hill** on 29<sup>th</sup> September 2023 between 09:00 and 15:30. This will be in place at the same time as Jeffcoats Lane closure. This is to allow the safe installation of overhead power cables across the carriageway.

The proposed alternative diversion routes will be signed on site.

During the closures, alternative routes available to all traffic can be viewed at the weblinks and QR codes below.
