One male in custody and approximately 300 plants seized.

If you notice something suspicious report it!

Is there a premises on your street that never opens their curtains?

Can you smell cannabis?

Let us know, we will look into it.

# Neighbourhood Link

## Neighbourhood Link community messaging service

Neighbourhood Link is a community messaging service from Leicestershire Police that provides news and information about policing activity or initiatives, crime prevention advice as well as major incidents affecting your area.

Through this service you can receive messages from your local Neighbourhood Policing Team, local police or, in the event of a major incident or event affecting the whole of Leicestershire, from a partnership of agencies known as the Local Resilience Forum (LRF).

In order to receive messages you will need to register your details. This information will enable us to send you messages relevant to the areas you live and work. Anyone can register, whether you live, work or travel into Leicester, Leicestershire and Rutland. Registration is free and simple to follow.

Once you have registered you will receive messages via email unless you have specified otherwise. On some occasions it may be appropriate for messages to be sent via text messages or voicemail.

- Sign up to Neighbourhood Link <https://www.neighbourhoodlink.co.uk/>
- If you are already registered you can amend your details
- Request a reminder if you have forgotten your username or password
- You can unsubscribe from the service at any time

Neighbourhood Link is not able to receive messages and you should not use it to contact the police. In an emergency always dial 999. An emergency is when a crime is happening, someone suspected of a crime is nearby, someone is injured, being threatened or in danger.

If you wish to contact Leicestershire Police in other circumstances, for example to speak to local police or seek advice on police matters, you can call us by dialling 101 on your telephone.
