Cllr Moulton read out a pre-prepared report which he asked to be included in the minutes. <i>"I attended the local plan committee as a member of the committee. At the local plan committee on 15th November 2023, it was given consideration to the proposed housing and employment allocations. Within the allocations was a proposal for what is classed as a broad location for potential future development. This was named as land west of Whitwick for identification. This consisted of five areas of land where owners of the land have expressed an interest to develop. This area has possible grounds for objections, which will be consulted upon as with all allocations (probably mid-January 2024). I would like to inform the Parish Council of other actions that deeply concerned me, during the debate on other allocations Councillor Michael Wyatt put forward an amendment to the proposed allocations, in that a proposal at Meadow Lane (within his ward) should be taken out and substituted with another area. I had previously asked the question of Ian Nelson (NWLDC Planning Policy Team Manager), if Meadow Lane was taken out of the proposal</i>	

	<p><i>where would the allocation (400 dwellings) be placed? His reply was C46 which is land at Broom Leys Farm. This land forms part of land which is classed as an area of separation between Coalville and Whitwick. He knowingly proceeded with his amendment; I am deeply disturbed that a Whitwick Parish Councillor put forward a motion when knowing the possible outcome. The consequence of his actions not only means the area of land may be developed, but also means that the area of separation between Coalville and Whitwick will need to be redefined. It also means the rest of the green wedge will be open to development going forward”.</i></p> <p>A heated discussion then took place amongst members on this subject.</p>	
3404	COUNTY COUNCILLOR’S REPORT	
	Nothing to report.	
3405	ANNUAL GOVERNANCE & ACCOUNTABILITY RETURN	
	Members noted the External Audit section of the AGAR.	
3406	DRAFT BUDGET DISCUSSION	
	The first draft had been partly prepared by the Acting Responsible Finance Officer and members were invited to offer preliminary advice on projects, inflationary increases, etc. Members were invited to put forward figures for cost centres that remain as ‘0.00’ for 24/25 to complete this first draft.	
3407	ACCOUNTS FOR PAYMENT & FINANCE	
	<ul style="list-style-type: none"> a) Details of income received for the month of October was tabled at the meeting; b) Details of payments made for the month of October, including salaries were tabled; c) Details of latest income and expenditure account for 2023/24 and the summary of earmarked reserves at 31st October 2023 were tabled; d) To note the latest bank balances as at 31st October 2023, Unity current account £179,549.98; Unity deposit account £12,502.64; and CCLA Public Sector Deposit Fund £225,000.00; 	
3408	EXCLUSION OF PUBLIC AND PRESS	

	Members to consider, in accordance with Section 1 (2) of the Public Bodies (Admission to Meetings) Act 1960, whether the public and press is excluded from parts of the meeting below on the grounds that publicity would be prejudicial to the general interest by reason of the confidential nature of the business to be transacted.

Hello hope you are well, im just enquiring if there is any facility to work out the building next to the park? Im thinking it would be really useful for summer months if we had the facility to work out of there some times and then we would be near by to prevent any issues on the park and would be good engagement for the day 😊

PETITION TO ARRIVA TO RECONSIDER AND REINSTATE SERVICES 16, 29 & 29A TO REVERT BACK TO THE ORIGINAL ROUTE THROUGH WHITWICK VILLAGE CENTRE (MARKET PLACE & NORTH STREET)

We, the undersigned, call upon Arriva to reinstate services 16, 29 & 29A back to the original route through the centre of Whitwick village. The recent rerouting of buses has caused considerable hardship to residents who now have to walk long distances in bad weather to use the service. Residents of all ages, people with disabilities, mothers with toddlers and also school children are all affected by the route changes.

3475 LITTER

I am writing on behalf of all residents off the 5 parishes in the community.

As you know these fields are used during the football season, both Saturdays and Sundays by local and non-local teams sharing the field.

Would it be possible to meet with all the chairpersons of these parishes at Coalville C.A.N (CCAN) to discuss the matter of litter thrown down by the parent and adults.

1

As you should all be aware about the lack of funding and staff to come out to clean up after people.

I am proposing, an idea of a volunteer based litter picking team and or meeting with these teams coaches to discuss said issues.

That these fields are not their property but from my understanding free use of government land, so I would like to, ask for the seasonal timetables of these football teams.

Ideally the coaches would be should be responsible for asking their parents to pick up as they are not teaching their kids responsibilities.

I don't know if a ban from using the ground would be feasible, if said litter is not picked up after a match.

So in turn it should be an incentive to pick up if they want to keep playing.

Lastly as you know the parks and grounds team for NWL do not have the time to litter pick these fields by hand, so when they come to cut the grass, they don't shred the litter into pieces spread on the grass were glass and cans could potentially hurt dog walkers and young kids

Than you for you time
